This letter is to confirm that we will be pleased to accept your invitation to participate in the XRAY game to be conducted in the latter part of January. Two of the participants will be from the Office of Strategic Research - [redacted] I will be the 25X1A  
third and will serve as team captain. [redacted] will be the 25X1A

As you know, I had hoped to observe and participate at [redacted]  
Unfortunately it will not be possible to do so at this time; perhaps at a later playing of the game?
